

## Campanilla

**Name:** Campanilla

**Type:** dog

**Since:** 24-10-2015

**Sex:** female

**Age:** 15 years

**Breed:** Mix greyhound

**Size:** big

**Weight:** 22 kls.

**Description:** Campanilla has been in the shelter for too long, for over 5 years. We picked her up when she was only 1 month old, along with her brother Batman, when they were about to fall into a well. She's very shy, but nothing that a family that loves her a lot cannot fix.
